## **Spa News Flash #17 – May 30 2011**

### **It Has Been 5 Years!!!!!!**

It has been 5 years since we opened the door of Spa Space for you, our valuable clients.

5 years ago we decided to establish a high quality spa service in Victoria and maintain it as well as possible. We did not know what the future held for us, we only knew that we would bring our knowledge and experience, and give our best to service and advice our spa guests.

5 years later we have great clientele that is still growing. We would like to thank you for your patronage and all your referrals over the years. We believe in building strong and long-lasting relationships based on friendship and trust.
